## **ABOUT CANDIDZ**

CanDidz brings together chic, feminine dressing and street-style edge to create easy pieces for everyday wear.

Launched in 2018, created by Italian designer whose creative pedigree includes Blumarine, Marni, Etro, as well as many US well-known brands, CanDidz' unique blend of stylish street style and feminine chic, and just the right touch of irony, have garnered the attention of top retailers around US and fashion influencers, right from the start.

CanDidz is committed to providing the best value at the highest quality possible – its exacting attention detail is evident in the superior quality fabrics, detailed construction, and beautifully finished garments.

CanDidz was created for fearless women with fierce style, who CAN do and wear anything...
