About Paradise Ranch

A beach-to-street resort lifestyle brand that includes swimsuits and cover-ups that seamlessly move from poolside to the bar, and anywhere else around town.

The Paradise Ranch resort collection was created in 2016 for women of all ages seeking stylish, fashion-forward swimsuit options with more coverage, and versatile, water-friendly pieces that can be combined to suit the occasion. The luxurious mix-and-match pieces are perfect travelling companions for the modern woman: swimsuits with matching zip-up skirt cover-ups and mesh pants,

Created by Kristyn Goddard, founder of Paradise Ranch (a deluxe canine resort and water park located minutes away from Malibu), the brand was launched in 2016, complete with a few dog swimsuit styles.

Manufactured in Los Angeles, the collection incorporates lavish fabrications, supple mesh inserts, bold graphics, and flattering body-conscious silhouettes for all body types, available in XS-XL.
